WHY CHOOSE US?

Using an entrepreneurial mindset to coaching, our team of experts are here to take your business to the next level. Being the only female lead coaching team on the market; Melissa, Therese and Kirra bring together a unique skill set with the goal of helping mortgage brokers and business owners through online self-paced courses and 1:1 coaching.

OUR PROGRAM

The Entrepreneur Program is designed to help the brokers become **better business owners**, overall **elevating** and **enhancing** their business to the next level. Integrating crucial components of business including the customer experience, mindset and habits, social media marketing, HR and more. The Entrepreneur Program provides business owners with the **growth** and **accountability** they need to improve their overall business, personal wellbeing and work-life balance through our online course hub, weekly zoom sessions and customised 1:1 sessions with our expert coaches.

OUR POINT OF DIFFERENCE

Collaboration, connection and community is at the core of our offering. Creating a community of thriving brokers who are continuously sharing and seeking ways to elevate their business through education.
