

## Real business strategies for high performing mortgage brokers.

We cut through the noise and help mortgage brokers focus on the strategies that actually make a difference, based on 15+ years experience.

By installing a system that actually works, you'll have;

- **Freedom** to take real time off from your business, without feeling guilty or checking your phone every 15 minutes;
- You'll **wake up excited** to work with your favourite clients, do work you're passionate about, and make a real impact in people's lives;
- And a business that provides **financial security** and generates wealth.

### CONNECT - Grow Smarter

CONNECT is for brokers of all experience levels, who want access to industry leading tools, training, and community to kick-start their business in the three key areas of Attract, Connect, and Scale. It's time to reduce overwhelm and go straight to smart ideas that work.

### ACCELERATE - Boost + Build

ACCELERATE is for brokers who need immediate and targeted support to increase their volumes... as well as brokers and mortgage business owners who want industry best practice guidance, tools, and support to build a solid business foundation that will unlock the next stage of their growth.

### THE10XBROKER - Multiply Results

THE10XBROKER is for established mortgage business owners, who have a solid foundation and are ready to go to the next level building their ideal business. After achieving a certain level of success, 10X is here to help you move from individual success... to a business that runs without you.

## Unlock your true loan writing capacity, and discover the secret to a sustainable business...

Where are you at in your business journey right now?

Find out exactly how much time and support you really need to write the loan volume you want... while still running the business... and be in total control.

### **TIMOTHY BERTRAND**

*Has helped change my business dramatically...*

Accelerate Key Partners gave Tim the structures and support he needed to establish three key referral partnerships in three months.

### **NICOLE CANNON**

*One of the best things I have ever implemented into my business...*

THE10XBROKER helped Nicole identify roadblocks, implement systems, and team to solve them, and within 9 months Nicole was lodging \$10M+ each month.
